Rules for Each Event:

Home Run Derby

There will be 3 Rounds:

Opening Round:

- Each player gets 10 outs to hit as many home runs as possible.
- The 6 players with the most home runs hit in the Opening Round advance to the Semi-Final Round.

Semi-Final Round:

- Home runs totals from the first round will carry over to the second round.
- Each player gets 10 outs to hit as many home runs as possible.
- The 2 players with the most home runs in the Semi-Final Round advance to the Championship Round.

Championship Round:

- Home runs from the first two rounds do not carry over to the Championship Round; Opening and Semi-Final Round totals are cleared from the board.
- Each player gets 10 outs to hit as many home runs as possible.
- The player who hits the most home runs in the Championship Round is declared the Home Run Derby champion.

Rules:

- An out is registered when a player swings at a pitch and does not hit a home run.
- A ball hit over the fence must be fair to count as a home run.
- The ball must clear fence completely to count as a home run.
- Pitches will be from 43' slow pitch style.
