

G.E.D. TESTING CALENDAR 2010

Colorado Northwestern Community College-Craig Campus offers the G.E.D. test each month. The test is five sections, consisting of the following: Language Arts; Reading and Writing, Mathematics, Science, and Social Studies. To take the G.E.D., you must be at least 17 years of age.

The fee to take the G.E.D. is **\$90.00**. This must be paid prior to testing. Interested applicants must register online at www.ged123.org and bring to the test a copy of the registration verification they download after completion of the registration. Students must also call CNCC and submit their name for a test date. The person taking the test must arrive at the testing site on time and present a current picture identification containing a birth date (driver's license or ID issued by the Colorado Department of Motor Vehicle). The price of each retest is **\$18.00**.

All students are encouraged to take the Pre-GED Assessment offered through the ALAP (phone#824-1128 or 824-1126) at Colorado Northwestern Community College prior to taking the actual GED test. Because of schedules and demands on ALAP, it's important to contact ALAP to set up a testing date. Once students are ready to take the GED, they will be referred to take the GED. All tests will begin at 8:30a.m. on the given dates.

For further information or to set up an appointment for the GED Test, please contact Gene Bilodeau at Colorado Northwestern Community College-Craig Campus, 50 College Drive, Craig, CO 81625 or phone (970)824-1103.
