

**Daily Journal Requirements**  
**Colorado Northwestern Community College**  
**HPR 180 Pre-Dental Hygiene Internship**

As part of HPR 180, the student is required to maintain a Daily Journal. The daily journal provides the student the opportunity to detail their experiences at the dental office.

The Daily Journal must contain the following information:

- Date
- Time period worked
- Hours worked
- Students signature
- Signature of the Dentist, Dental Hygienist or Office Supervisor.

Daily Journal entries should record and discuss:

- Training received
- Techniques practiced
- Tasks completed
- Positive Experiences – things you enjoyed.
- Negative Experiences – things you disliked, or had difficulty with.

The student need not use the exact formatting or form provided (see page 2) for their Daily Journal, but the required information must be present in the Journal in a **legible** and **understandable** format.
