

Hello CNCC Community –

Welcome back to our continuing students and our new students joining CNCC – **Congratulations and Welcome!** We are excited you chose CNCC for your academic and career goals. It has been quite the ride since March until now - It's August! Thank you for your patience and your questions as CNCC gets ready to start the 2020 Academic Year

Countdown to the start of CNCC's fall 2020 semester is underway! Many courses will start the week of August 24th and some have already started. I will be sending you information that will help you have a successful semester at CNCC. I don't mean to overwhelm you with communication, but I think we can all agree – this is an unusual time and at least I sometimes find I need more information and repeated information given all that is happening.

Our goal is to continue to keep you updated with regular communications about fall 2020. Please continue to monitor the [CNCC COVID Webpage](#), [the CNCC Return to Campus Plan](#), and your **student email** for the latest updates. I am including some important updates in this email – please do not hesitate to reach out with questions!
