Position Overview

Registered Dental Hygienist

Greeley, CO

Description

Greeley Dental Health, located in Greeley, Colorado has an immediate need for a full-time Registered Dental Hygienist for our busy family practice. At Greeley Dental Health we strive to be the best dentist office in Greeley, CO. We work together to improve the patient experience while keeping their smile healthy and bright. To ensure customer satisfaction, we survey our patients, regularly review feedback, and reward our staff for positive patient reviews.

Come be part of a team where our hygiene community is a well respected, trusted, and valued part of the organization. We offer stability, full schedules, benefits, 401K, PTO, holiday pay, continuing education, and bonus opportunities. We are offering a \$2,000.00 sign-on-bonus~

Why work for us?

1 Trust & Respect- Doctors view our hygienists with a high level of trust and respect. Our hygienists are recognized as leaders in our practices as well as leaders in periodontal and preventative therapies. Our hygienists are highly regarded and valued as comprehensive clinicians who partner with our doctors in providing patient care.

2 Community & Opportunity- We offer peer-to-peer mentorship and support. You have a team of hygienists available and working alongside you, to collaborate with and support you as a partner. We also have a dedicated Director of Hygiene who is here to support each hygienist and to be your voice to our management team. We also offer continuing education - we typically provide opportunities for CE for our hygienists to exceed the requirements for licensure.

3 Empowerment- We empower our hygienists to serve patients at the highest level possible. We are not production-driven and do not have quotas on products or services. Our clinicians decide what is best for their patients. We are service and experience-driven so we can give our patients the best care possible.

Benefits:
