--	---------------

Salary/Wage Range	\$42-\$45/hour + benefits
--------------------------	---------------------------

Position Overview

Our goal: To find an enthusiastic, team oriented RDH looking for a long term position.

About us: Our private, newly remodeled practice was founded 37 years ago, which has brought us many loyal, long term patients. Our primary focus is delivering quality dental care and superior customer service while staying current with the latest technology. We are continually growing and our patient demand requires us to hire another RDH to create more availability in our busy schedule.

Hours: This position is 1-3 days a week (No weekends). Hiring for Fridays 7-1 and open to additional hours on Tuesdays (7-3) and Thursdays (7-3) if the candidate wants more hours.

Benefits: PTO, Group health plan, Paid parking, Scrubs Provided

Job Type: Part-time

Responsibilities and Qualifications

Requirements: Current Colorado RDH license, current BLS certification. Digital xray/Eaglesoft experience are a plus but not required. Able to administer dental anesthetic

How to Apply:

Lets chat! Our practice manager would be happy to answer any questions you may have and to learn more about you.

Please email a copy of your resume along with the number of days you are interested in working.
