## Position Overview

We are growing, and are looking for a full-time Registered Dental Hygienist for our established family practice located in Aurora, Colorado. This is an immediate opportunity for a Registered Dental Hygienist who is dedicated to delivering the highest standards of patient care. Panorama Dental Group is located in Aurora, Colorado and has been in this location over 20 years.

Panorama Dental, an established practice in Aurora Colorado, is hiring for a full-time Registered Dental Hygienist. This is an immediate opportunity working 4 days per week Monday-Thursday with every Friday off. Join a team where you are a trusted and valued part of the dental practice. We are offering a \$2,000.00 sign on bonus for any newly hired dental hygienist.

With services ranging from regular preventive care to restorative dentistry, dazzling cosmetic treatments, and other specialty services you won't find just anywhere, we are pleased to provide high-quality dentistry for our entire region.

Why work for us?

1 Trust & Respect- Doctors view our hygienists with a high level of trust and respect. Our hygienists are recognized as leaders in our practices as well as leaders in periodontal and preventative therapies. Our hygienists are highly regarded and valued as comprehensive clinicians who partner with our doctors in providing patient care.

2 Community & Opportunity- We offer peer-to-peer mentorship and support. You have a team of hygienists available and working alongside you, to collaborate with and support you as a partner. We also have a dedicated Director of Hygiene who is here to support each hygienist and to be your voice to our management team. We also offer continuing education - we typically provide opportunities for CE for our hygienists to exceed the requirements for licensure.

3 Empowerment- We empower our hygienists to serve patients at the highest level possible. We are not production-driven and do not have quotas on products or services. Our clinicians decide what is best for their patients. We are service and experience-driven so we can give our patients the best care possible.
