Position Overview

We are looking for a part-time Dental Hygienist to help treat patients and promote good oral health practices in our busy family practice located in Falcon, Colorado. This is a 2-day/week position working Thursday and Friday each week. What do Dental Hygienists do? Dental Hygienist duties revolve around conducting initial patient screenings, cleaning teeth (e.g. removing plaque) and advising patients on oral health and preventative care.

As a trusted and valued member of our team, you'll help dentists decide treatments for teeth or gum diseases and handle dental emergencies. As a Dental Hygienist, you should be reliable and able to build trust with patients of all ages. You should have deep knowledge of relevant health and safety rules and a good eye for oral diseases and anomalies. If you have a steady hand and great bedside manner, we'd like to meet you. We are offering a \$2,000.00 sign on bonus for this position.

Office Hours:

Thursday: 8-5

Friday: 8-2

Why work for us?

1 Trust & Respect- Doctors view our hygienists with a high level of trust and respect. Our hygienists are recognized as leaders in our practices as well as leaders in periodontal and preventative therapies. Our hygienists are highly regarded and valued as comprehensive clinicians who partner with our doctors in providing patient care.

2 Community & Opportunity- We offer peer-to-peer mentorship and support. You have a team of hygienists available and working alongside you, to collaborate with and support you as a partner. We also have a dedicated Director of Hygiene who is here to support each hygienist and to be your voice to our management team. We also offer continuing education - we typically provide opportunities for CE for our hygienists to exceed the requirements for licensure.

3 Empowerment- We empower our hygienists to serve patients at the highest level possible. We are not production-driven and do not have quotas on products or services. Our clinicians decide what is best for their patients. We are service and experience-driven so we can give our patients the best care possible.
