Dear Ms. Yantzer:

This letter is formal notification of the action taken by the Accreditation Commission for Education in Nursing (ACEN) at its meeting in March 2019. The Board of Commissioners granted continuing accreditation to the associate nursing program with removal of conditions as the program is in compliance with all Accreditation Standards and Criteria. The Board also affirmed the next onsite accreditation review for the Fall 2024 Cycle.

Deliberations centered on the materials available to the Board from this accreditation review process and the recommendation for accreditation proposed by the peer evaluators and the Evaluation Review Panel.

We look forward to continued successes for your nursing program. On behalf of the Board of Commissioners, we thank you and your colleagues for your commitment to quality nursing education. If you have questions about this action or about ACEN policies and procedures, please contact me.

Sincerely,

Marsal P. Stoll, EdD, MSN
Chief Executive Officer
