ABOUT COLORADO NORTHWESTERN COMMUNITY COLLEGE:

Colorado Northwestern Community College (CNCC) fosters educational excellence and student success, prepares students for local and global citizenship, anticipates and responds to the needs of surrounding communities, and contributes to evolving regional economic development. CNCC is a small, rural community college located in Northwest Colorado with campuses located in Rangely, CO and Craig, CO. Please visit the CNCC website at www.cncc.edu for application submission details.

Review of applications will begin immediately.

GENERAL SUMMARY:

This position will be responsible for the following: Direct and manage the Aviation Technology fleet maintenance schedules of aircraft in an FAA Part 141 instruction flight line, ensure and manage completion of scheduled and unscheduled maintenance for a fleet of aircraft used in the Aviation Technology Program, work with the Aviation Program Director to maintain inventory, order approved parts, and provide general assistance with all aspects of an aviation maintenance shop. Please note - This is a working manager position. The Aviation Maintenance Manager is expected to do maintenance labor and perform managerial duties.

PRIMARY DUTIES:

- Perform maintenance, preventative maintenance, and troubleshooting, on all aircraft in accordance to applicable Federal Aviation Administration (FAA) Regulations.
- Perform inspections, component removal and replacement for all aircraft systems including avionics.
- Ensure that all college aircraft are properly cleaned, maintained and repaired.
- Coordinate aircraft maintenance schedules with the Aviation Program Director and additional maintenance facilities if required.
- Order and manage supplies and repair parts needed for proper maintenance of college aircraft.
- Maintain accurate records, including logbook entries, as required by the FAA.
- Maintain an up-to-date inventory of cleaning supplies, tools and equipment and aircraft parts.
- Work with and continue building working relationships with external maintenance providers.
- Perform other duties as assigned by the Aviation Technology Program Director.

ESSENTIAL QUALIFICATIONS:

This job requires any equivalent combination of knowledge, skills, abilities, education, and/or experience as indicated below:

Minimum or Required:

- High school graduate or GED
- An Airframe and Power Plant (A&P) certificate
- 5 plus years A&P license without violation.
- Valid driver's license.
- Minimum 5 years Cessna single experience
- Thorough understanding of aircraft maintenance procedures and practices and FAA policies and procedures
- Ability to ensure aircraft fleet is maintained in accordance to FAR part 91 and FAR part 43
- Able to work multiple shifts as required by flight schedule, to include nights, weekends, and holidays
- Ability to communicate effectively with supervisors, colleagues and students
- Computer - Proficient with MS windows 10, MS Excel, MS word
- Ability to pass drug screen and background checks

Preferred:

- Associate or Bachelor's Degree from an accredited college
- Inspector Authorization (IA)
- Ten (10) years of experience in aircraft maintenance
- Cessna Factory School certification
- Previous leadership role with proven track record.

EQUIPMENT/MACHINE OPERATION:

Knowledge of the following equipment/machines is necessary in the performance of the duties of this position:

Minimum or Required:

- Must supply own basic hand tools as required for maintaining general aviation aircraft
- Operating hydraulic mules, electrical power carts and associated support equipment as required

APPLICATION INSTRUCTIONS

All interested and qualified applicants are asked to submit a cover letter, resume and three letters of recommendation, along with a completed Colorado Northwestern Community College application for exempt employment to the Department of Human Resources.

Colorado Northwestern Community College is an Equal Opportunity Employer

Colorado Northwestern Community College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to all students, employees and other designated groups.
