Hello CNCC Students,

We wanted to provide an update on and invite you all to our **Virtual 2020 Honors Ceremony** for both the Rangely and Craig campuses, as well as, our **Virtual 2020 Commencement or Graduation Ceremony**. These ceremonies will be in virtual and video formats so that the honorees and graduates can still be recognized and celebrated for their incredible work and achievements here at CNCC. Our Honors Ceremonies are now available for viewing with the links below. Our Graduation Ceremony will be coming shortly as we approach the end of our Spring 2020 Term. Please continue to check your emails for more information.

As we know this is not ideal for some of our students, CNCC would like to invite all our 2020 Spring Graduates back next year to participate and walk across the stage in our 2021 Graduation Ceremony. This is just an option as your degree will already have been awarded, but we would love for you to join us!

Our students, staff, and faculty have worked extremely hard to get to this point and we miss these events as much as we miss all our students. We felt it was still very important to have these events in some capacity. On behalf of CNCC, we understand that this is not how most of our students would choose to be celebrated and we regret that we are not able to celebrate in person with our students. While we can't celebrate in person we know that this is an exciting time of the year especially for our student honorees and graduates. Please join with us in congratulating these students and watching the virtual ceremonies to honor their achievements.

Congratulations to All Our Honors Award Recipients	Congratulations to All Our 2020 CNCC Graduates
CNCC wishes you the best of luck! To our returning students we look forward to seeing you in the Fall! Don't forget Registration is open so sign up for classes today!	

Special Thanks:

We are truly grateful and appreciate all of the following people and groups for their hard work and support!

Our Students!

You are the reason we are here.
