Good Evening CNCC Students,

The email below was the most recent one you received about the "Stay at Home Order" issued by Governor Polis for the State of Colorado.

I wanted to provide clarification on a bullet point that I have received some questions on:

- **If you are Planning on Returning:**
  - You will no longer be allowed to come back to housing due to the "Stay at Home Order"
  - Please call John Anderson Vice President of Student Affairs if there is a need/concern/or issue staying off campus

What this means for all student is if you had made arrangements, filled out the check in or out forms, or had any other plan in place to return to campus to stay or move your belongings out – **THIS IS NO LONGER AN OPTION.**

Any arrangements that were in place are no longer valid or in place. Travel unless specified in the order is not permitted in the State of Colorado, so students would not be allowed to travel to campus to collect their belongings. Doing so would put the student in violation of the Governor's Order.

Your belongings will be kept as is, locked, and safe during this time. We at CNCC understand this is not an ideal situation but as a state institution, we must comply with state orders. Please also remember the larger goal here is **to save lives** and **slow the spread of COVID-19**. Saving lives, the health and wellbeing of our students, staff and faculty are the utmost importance to CNCC and the inconvenience of not having material possessions during this time is a sacrifice well worth it.

**In the meantime, there is a form in which you can fill out to get essential school items shipped to you. CNCC will cover those costs of this process. Shipping Request Form: <https://cncc.formstack.com/forms/packandship>**

Once the Stay at Home order is lifted we will let student's know when and how to return to campus.

**PLEASE DO NOT RETURN TO CAMPUS AS IT IS CLOSED AND YOU WILL NOT BE ALLOWED INTO THE BUILDINGS**

Please be patient as this is a new development and we are still waiting on some guidance from the State. Below is some information to get started, but please keep in mind this may change rapidly. Please keep checking your emails, our website at <https://cncc.edu/cncc-covid-19-updates> or give us a call at 970 629 9401.

Thank you,
