## June 2020

### Once a Spartan, always a Spartan!

**Hello Spartans!**

It's hard to believe that tomorrow is July. This year has been such a blur of challenges and small victories as we work to keep the Spartan fire burning through the pandemic and all of the changes it brings daily.

Virtual graduation heralded a new group of Spartan alumni entering the workforce or moving on to their next academic challenge. This was not the end imagined for these students, but they remained Spartan Strong and pushed through to victory!

I hope that you are meeting your own challenges successfully and keeping healthy and safe.

Staff and faculty continue to work to prepare for fall classes, which we plan to hold on campus with precautions. We know the Spartan experience is strongest when we can all be together. We do know, however, that some do not feel safe returning, so we are offering a variety of real-time, virtual classes that access the same type of learning as on-campus classes, but from through remote access.

Staff have been calling returning and new Spartans to make sure that they are getting registered for classes. We also share the safety precautions we have in place to keep them safe and healthy when they return. The bottom line is we want our Spartans to stay Spartans and know that we will take care of them!

**If you would like to keep up with what's going on with campus due to the COVID-19 pandemic, go to https://cncc.edu/cncc-covid-19-updates.** All communications are being shared there to keep everyone up to date.

## Commencement 2020

If you have not yet seen the virtual graduation video, check it out on our YouTube channel:
